What is Department of Global Eminence?

Department of Global Eminence is a new school that has two majors: Global Leader and Global Business. Students can enter the Department of Global Eminence without deciding on a certain major in advance. There will be a period for undergraduates to submit applications and declare a major before the 2nd year. Students can freely decide their major according to their aptitude and interest. The Department of Global Eminence has unique curricula and offers utmost educational experiences to students.

Global Leader at Kyung Hee

Global Leader offers a valuable curriculum that is helpful to students who want to enter law school and become a leader of globalized society. The curriculum of Global Leader contains various subjects such as law, administration, politics and diplomacy, economics, etc.
